Thesis Title	Independent Development Under the Regional and International Changes		
Year	2004		
Abstract	<p>The development countries faces in general and the Arab countries in especial different kind of problems . The main problem is the need for development their countries in such a way to let her citizen life in the best way with a very clear future . This kind of development needs to overcome many things such as get their independent from the others and unity all the Arab countries in order to stand against the economic changes around the world .</p> <p>Since the late seventies the world face many political economic changes which play a very important roles to change the international system and try to rebuild its structure . This changes have its effect on the development in developed world. Therefore , the Independent development is consider the right way to follow in order to overcome the problems which may these changes cause.</p>
