Thesis Title	Semantics in the interpretation of the Al Bahr Al Muheet to Abu Hayyan Andalusi in the light of modern linguistics. P.S: This Master degree from Ibb university - Yemen		
Year	2004		
Abstract	<p>Semantics deal with language as a symbol bears meaning , studying its ability to deliver the meaning to the recipient . Rereading Arabic lingual heritage a contemporary reading in the light of modern glossal theories aims at connecting lingual thought with universal lingual thought ...</p> <p>So the essence of this research is to bind old with the modern . Abu Hayan Alandalosi is one of the prominent figures of grammar and language . He enriched the Arabian library with his numerous books which were indispensable for any researcher in the field of language .</p> <p>His book (Albahr Almuheet) - which is the pivot of this study - is in which he combined Quranic interpretation with his linguistic philosophy to include semantic , grammatical , morphological , vocal and lexical issues .</p> <p>According this study deals with the analytical descriptive approach which suits the nature of this research that analyses texts derived from the interpretation , studying , commenting and comparing it with what the modern research finds in this field .</p>
