Page	172-198		
Year	Spring 2009		
Abstract	<p>Not only Japan's relations with Iraq to send a military force is limited to Iraq, which have been present in it since the year 2004 until its withdrawal in 2006, but that Japan's relations with Iraq continued in all areas in various forms. Some analysts strategists that the justification for rushing the Japanese in Iraqis part of the public support the implicit strategy U.S. and support for their agendas as there are important security ally of the United States of America</p>
