Thesis Title	the political thought of abd al fattah ibrahim			
Year	2009			
abstract	<p style="text-align: center;">This thesis entitled (The Political thought of Abdul-Fattah Ibrahim) assumes that Abdul-Fattah Ibrahim is one of the Iraqi political and intellectual characters that introduced rich views, especially, those related to nationalism, patriotism, democracy and socialism.</p> <p style="text-align: center;">Abdul Fattah Ibrahim is a top-listed name among the renovation pioneers in the Modern History of Iraq. Since the 1920s up to our modern time, no man was found so strict and adherent to march of development, and so profound in follow-up and analysis. He used to combine theorization with application in a steady approach and confront the hardest problems of community.</p> <p style="text-align: center;">Hence, besides the introduction and conclusion, this study has been divided into four chapters:</p> <p style="text-align: center;">The Preliminary Chapter included two sections, the first section (Abdul Fattah Ibrahim Early Life and Intellectual basics) covered the life of Abdul Fattah Ibrahim from birth to death, his study, the factors that influenced his character and his intellectual production, while the second section (Abdul Fattah Ibrahim, Practical Activities and</p>			

Intellectual Products) reviewed his political, social and cultural activities, besides his intellectual products.

Chapter One (Patriotism & Nationalism As Viewed by Abdul Fattah Ibrahim) included two sections; the first section was entitled (Patriotism As Viewed by Abdul Fattah Ibrahim), while the second section studied (Nationalism As Viewed by Abdul Fattah Ibrahim).

Chapter Two came under the title (Democracy As Viewed by Abdul Fattah Ibrahim) and was divided into two section, the first section considered (Nature of Democracy and Its Constituents As Viewed by Abdul Fattah Ibrahim), while the second section focused on (Applications of Democracy in the Opinion of Abdul Fattah Ibrahim).

Chapter Three was devoted to study (Socialism s Viewed by Abdul Fattah Ibrahim). This chapter covered two sections; the first section considered the (Essential Nature and Its Constituents As viewed by Abdul Fattah Ibrahim), where as the second section studied (Applications of Socialism in the Opinion of Abdul Fattah Ibrahim).

The thesis ended with a conclusion including a set of deductions which was followed by the references that this study used.
