Thesis Title	The Prospective Dimension In The Israeli Strategic Planning		
Year	2006		
Abstract	<p>The Israeli Strategic Planning depend upon distant duration strategy , able to transport the conflict from its direct dimension like war to indirect one such as Economical , Political , Sociological field to achieved its coals in flexible ways by exploitation weakness points inside their enemies , & employment power points in themselves.</p> <p>The Zionism movement and Israel attempt to concern in the future & its elements. Hence, submission these elements to the Israeli thinking, and the Israeli strategy always drawing margin of prospective movement in any time.</p> <p>So , the importance of study including that Israeli depend on strategy which is prospective goals , flexible ways , variable , forms and fixed aims try to weak the Arab states , In return for protect Israeli security by create a new events in its environment because future never offering in silver dish.</p>
