Thesis Title	The Saudi Arabia Foreign Policy and Arabic Region since the End of the Cold War		
Year	2008		
Abstract	<p>The Saudi foreign policy has got great important for who deals with international affairs, it deals with politics events directly or indirectly; then its roll in most of the Arabic cases has showed clearly effected. Naturally the Saudi foreign policy interested in Arabic especially.</p> <p>The follower of the way to the development of Saudi politics to the age after the cold war towards Arabia ; find that it does not get away to the period that proceeded the cold war but continued to it. So the changes that happened to foreign and internal environments in last years of the 1980s and the beginning years of 1990s impost on the kingdom more interesting to the Arabian case. So at the time and after the gulf war the kingdom increased in power the military threat that the radical Iraqi regime was weaken another think the alliance with USA and the western that assured it the security. The vision that Saudi resemble towards the Arab - Israel conflict it is the dependent in the Arabic area.</p> <p>Although these good factors but they have</p>		

become threat resources, the protection that US gives to kingdom has it paid in the economics problems that the kingdom faced after the second Gulf war directly in (1993,1994,1995).

In addition of failure every tries to put combination that leads the Arabian interactive in 90s.

The accusation of terror and the events of eleventh of September 2001 made the kingdom acting politics roll more actively towards the Arabic area cases.

The invitation of the prince Abdullah for peace 2002 and to Syria to get back from Lebanon 2005 for that roll the appearance of Iran not only in Gulf but in Arabic as a competition.

For the studying is enable to cover the important of the subject that it divided to introduction also two chapters the first search in variable effective the operation of making Saudi Arabia foreign policy . the second chapter studies the foreign policy behaviour towards Arabic area since the end of the cold war.(chosen Arabic issue).

The studying get many productions towards that issues.

In gulf side:

The kingdom insist on the necessary of the American existence in the area as an equal element for Iranian threat with assurance to find guaranty for gulf safety beside of that it tried to reduce the nervous centres and unstable in area. This clearly showed in the solving all the problems about the geographical boundaries with neighbouring countries and refusing

that Iran have had the nuclear weapons.

In Iraqi side:

With the growing of the Iraqi - American crisis and what the year 2002 has witnessed by increasing American military side to Iraq.

The kingdom refused the military powers against Iraq and declared that it wouldn't allow using its grounds for shooting Iraq after the fallen of the regime in April 2003 kingdom was the first to invite the Arab counties to meet at council for searching the Iraqi development with the increasing of murdering and emigration the kingdom in Iraq assured the dissatisfaction of what is happening in Iraq and invite the necessary of policy sharing and welcoming with the Mecca policy that aimed to stop the violence in Iraq.

In the Palestinian side:

The Palestinian case formed an essential side from the external Saudi politics interests and it one of its standard that called to find a peacefully solution for this case by the decision of the legal international it assured that each sides of struggle should take care of the decisions of Madrid council for Pease 1991. And what it has signed in Oslo agreement 1993, so it faced against the Israel by the Palestinian side by its government and its people and it showed great interest by the great roll in this case and the invitation of prince Abdullah for peace 2002 for reaching to quiet peace between Palestine and Israel. But when the struggle has increased between Fateh and Hamas the kingdom has called for conversation in Mecca to put down these bloody wars in Palestine.

In Lebanon side:

From the principle of respect of the country the kingdom asked to get its army back from Lebanon lands and after the ex- president al- Hariry has been killed the kingdom asked to make international investigation to solve the problem. With the Israeli an attack for Lebanon in 2006 the kingdom called for stopping shooting although the criticisms that the kingdom put on Hizb Allah and its responsibility on what happened.

In Yemen side:

The kingdom insist in it refused position for entering Yemen to the cooperation gulf council nevertheless that Yemen announced that it transmit all obstacles that stand against of getting the membering.
